IT'S TIME TO REPORT 2012 ANNUAL EARNINGS FOR APRIL 1st LEVEL CHANGES

What does MainePERS need from you?

By March 22, send us 2012 earnings information on your covered employees so that we can establish their level of group life insurance coverage beginning April 1, 2013.

How do I send the information?

Submit this information through Employer Self Service Import.

Simple Format (CSV) - GLI Level:

- This is a comma-separated value (csv) or comma delimited file with four items for each employee: Year, Employer Location, SSN and Level. Easily done in Excel - be sure to save and import as a .csv file. (Example: 2012, GP2X01, 006100101, 50000.00)
- Go to ESS Import Files and click on "GLI Level."
- Follow the step-by-step guidelines in our ESS User Guide beginning on page 65. MainePERS will establish employee levels based on the level reported.

How is the level defined?

This will typically be your employee's 2012 annual gross compensation rounded up to the next \$1,000.

How will I know what the new level is?

The GLI Level Report will be in your Employer Self Service (ESS) report location. Look for the drop down that says "GLI Level Report."

What is my responsibility once I receive the new level report?

Review the report carefully and contact Survivor Services if you believe something is incorrect. MainePERS uses this information to establish the premium payments reflected on your monthly invoice starting with your April 2013 invoice.
