

EMPLOYER CERTIFICATION OF REFUND APPLICATION

When an employee leaves your employment, they may be eligible to withdraw the MainePERS contributions they made, plus accumulated interest. If applying for a refund within three months of termination, we require they provide certification of their termination. This is to ensure they are eligible for, and we include all of their contributions in, their refund. Remember, we cannot accept a refund application until after the actual termination.

Employer Certification - Here's what we need from you:

- 1 Your employee's termination date
- 2 The date you issued their final paycheck
- 3 Your signature certifying information you provided
- 4 Employer Name & Code
- 5 Date
