

Important Notice to New Benefit Recipients

MainePERS' benefit recipients are paid on a monthly basis, at the end of each month. You can expect your benefit payment to be deposited on or around the last business day of each month. A benefits payment schedule is provided in your December advice each year and can also be found on our website.

You will not receive an advice of deposit every month. MainePERS sends an advice whenever the net amount of your benefit payment changes by \$1.00 or more. We will also send you an advice each December, which will include important year-end totals and information as well as the disbursement schedule for the upcoming year.
