1. Complete the "Request for Portability of Group Term Life Insurance" section of the application in its entirety.
2. Determine your maximum coverage amount available.
Consult the Portability Plan Outline for the Guaranteed Standard Issue (GSI) amount and the Portability Maximum.

If the two amounts match, you will not have to send us evidence of good health. Your first premium payment will cover the GSI amount only.

If the Portability Maximum amount is more than the GSI amount, and you are requesting more coverage than the GSI, you will need to provide evidence of good health before we can qualify you for the added coverage. After we receive your "Portability Option for Group Term Life Insurance", we will send you an Evidence of Insurability form to complete and return to us within **31** days of the date the letter and form is sent to you.

For now, just pay the GSI amount. If we approve the additional coverage after reviewing the medical information, we will send you a bill for the extra amount. You will have **31** days from the due date on the bill to submit payment. If your payment is not received within that time, your coverage amount will be limited to the GSI.

If we cannot approve the amount above the GSI, your coverage will be limited to the GSI amount. We will send a letter explaining this. You may convert the coverage that we were not able to approve to an individual whole life insurance policy. Our response letter will include an application for this added coverage. Send the completed application plus the premium to Aetna within **31** days of the date of the letter.
3. Consult the Rate Tables and instructions (included in the package) to determine your premium. Make your check or money order payable to Aetna for the applicable amount.
