

Notice of Conversion and/or Portability Rights

Important Notice regarding your coverage: If you are an active employee, terminated employee, retiree or dependent who may be faced with losing all coverage or even a portion of your coverage under your employer's Group life plan(s), you and/or your dependents may be eligible to continue the lost amount of coverage without submitting evidence of good health. **You are receiving this notice as a result of experiencing one of the following events: your employment status has changed, marital status has changed, you or a dependent has experienced an age reduction or maximum age limit, you have retired or you have reached the end of an employer sponsored continuation provision. You have options to retain this important coverage that are explained below. The specific options available to you are based on the provisions as defined in the Group plan.** Included with this notice is a form you can submit to obtain additional information. You will receive details on the specific coverage options available to you, receive a quote, and the necessary forms to obtain coverage.

Life Conversion

The Life Conversion option provides the opportunity for you to obtain an individual life insurance policy that accumulates cash value and is offered at individual insurance rates. There are no mandatory age reductions and coverage can continue with premium payment until the Scheduled Maturity Date (standardly age 121) at which time the cash surrender value is paid to the insured.

If coverage is ending because The Hartford Group Life policy is terminating or coverage for a class of employees is terminating, some restrictions may apply. If coverage is ending for any other reason, you can generally convert up to the full amount of your terminating coverage. Conversion is also available to your dependents if they had coverage under your group plan. You may have the option to obtain a one year term policy prior to the permanent life policy becoming effective. Please refer to The Hartford Group Life policy for information. **Premiums for a Life Conversion policy are substantially higher than your Employer Group plan rates.**

Portability

Under the Portability option you may obtain a group life insurance policy to continue 100%, 75%, or 50% of the amount of life insurance coverage (Basic, Supplemental, or both) you had under your Group plan up to a maximum amount, generally \$250,000 depending upon the provisions of your Group plan. The Portability policy provides group term coverage and is available to you provided you have not yet reached your Social Security full retirement age. The Portability option may also be available to your dependents if you carried dependent coverage under your employer's group plan and if the group plan includes portability as an option for dependents. The amount of coverage you elect to port is reduced by 75% at age 65 and coverage terminates at age 75. Portability is not available if your employer is terminating the group plan. Note: if you choose to elect the Waiver of Premium provision as outlined in your contract you are not eligible for Portability. The same applies if you choose to elect Portability; Waiver of Premium would not be available. Additional restrictions may also apply. **Premiums for a Life Portability policy may be higher than your Employer Group plan rates and rates increase every five years (years in which your age on your birthday ends in 5 or 0).**

Frequently Asked Questions

Q: If I request a quote, how does The Hartford determine the amount of coverage to quote?

A: The Hartford will contact your employer to obtain the amount of coverage you had in effect under the group plan. The quote is based on this amount as well as applicable plan provisions.

Q: If I receive a quote for coverage, does this mean I qualify for the coverage amount quoted?

A: The amount quoted is not a guarantee that a policy will be issued in that amount. Upon receipt of your application for coverage, The Hartford will perform an eligibility review to determine if the amount of coverage you have requested can be granted based on the coverage you had in effect under the group plan as well as plan provisions.

Q: What is my policy effective date?

A: The effective date of a Life Conversion policy is the 32nd day following the group coverage termination date. The effective date of a Life Portability Policy is the day following group coverage termination date.

Q: If my application for coverage is not approved by the effective date, am I still covered?

A: Yes, if your application is approved, the effective date of your policy will be retroactive to the date indicated above.

Q: I understand that there is no medical underwriting or physical exam required but can I still be denied for coverage?

A: Your request for coverage can be denied if you do not meet the timeliness requirement. You must mail or fax this form to request information within 91 days from the employee's group coverage termination date. **This request must be received by The Hartford within 91 days from the coverage termination date. Requests received more than 91 days after the employee's group coverage terminates will be denied.** Coverage can also be denied if it exceeds the amount you had in effect under your employer's Group plan or if it does not align with your employer's plan provisions. In addition, any request for coverage that is not available under your employer's Group plan will also be denied.

Q: If I start to work for a new employer and obtain coverage under that employer's Group plan, will that Group coverage impact any conversion or portability policy that I may have purchased?

A: If you obtain coverage under a new employer's Group plan, your portability or conversion policy will remain in effect provided you continue to pay the required premiums. However, benefits payable under conversion policies may be affected by the amount of your other coverage.
